

Dunn Smoke Bomb

10/24/2014 Date of Birth: **Registration 1:** CI294926 Breeder: Nancy C. Dunn Owner: Ben and Niki Stone

Smoke Bomb is from the heart of Nancy Dunn's Rolling D breeding program. Her color is very unique. She isn't black, she's more of a deep molasses with hints of brown. She's got a perfectly uniform Texas twist horn-set combined with a thick full body and raises a healthy calf every year. As matter of fact, there was less than 11 months between her last two calves! If you want the genetics of a proven producer with foundation cow
